SWING BY INDOOR GOLF LEAGUE

9 WEEKS. 9 COURSES. ONE CHAMPION.

The Swing By Indoor Golf League is a 9-week flex league featuring a different course every week, weekly net scoring and a season-long points race. League weeks run **Monday through Sunday**, and you can play your round whenever it works for you.

HOW THE *Flex League Works*

- ✓ Each league week runs from Monday through Sunday.
- ✓ Play one 18-hole round on that week's predetermined course and tee boxes.
- ✓ Play on your own, with friends, or with up to four league members in one bay.
- ✓ Use your league booking discount when reserving your simulator time.
- ✓ Live scoring through the Golf Genius app is strongly encouraged.
- ✓ Submit your gross score after the round. Golf Genius applies the league handicap calculation to determine your net score.
- ✓ Your net finish determines your weekly points, which are added to your season total.
- ✓ Handicaps are recalculated Sunday night for the following week's competition.

HOW A *League Week Works*

1. BOOK YOUR ROUND

Book your simulator time at Swing By using your league discount.

2. PLAY 18 HOLES

Play the week's predetermined course from the predetermined tee boxes. No mulligans. Four-foot gimme circles apply.

3. LIVE SCORE YOUR ROUND

Use the Golf Genius app to live score your round whenever possible. This makes it easy to follow the action and track where you stand.

4. SUBMIT YOUR GROSS SCORE

Once your round is complete, submit your gross score through Golf Genius. If you run into a technical issue, Swing By can access the simulator scorecard and enter the score for you.

5. NET SCORE & WEEKLY POINTS

Golf Genius applies the league handicap calculation. Your net score determines your weekly finishing position and the points added to your season total.

6. HANDICAP RECALCULATION

Handicaps are recalculated every Sunday night and the updated handicap is used for the following week.

Any putt inside the designated 4-foot gimme circle is counted as holed.

PREDETERMINED COURSES & TEES

Submit your gross score after the round. Golf Genius applies the league handicap calculation to determine your net score.

BREAKING A TIE *Tiebreakers*

WEEKLY TIEBREAKERS

If two or more players finish with the same net score, a scorecard countback is used in this order:

- 5 Continue hole-by-hole if needed until the tie is broken

The countback determines the official weekly finishing order and the points awarded to each player.

SEASON-ENDING TIEBREAKERS

If players are tied in total league points after Week 9, ties are broken in this order:

- 1 Most 1st-place finishes
- 2 Most 2nd-place finishes
- 3 Most 3rd-place finishes
- 4 Continue through finishing positions as required
- 5 Lowest cumulative net score
- 6 Week 9 net score, followed by Week 8, Week 7 and so on.
